OFFICE OF PETITIONS

Sir:

In response to the Decision Dismissing Petition dated May 5, 2003, and further to their previous Petition to Revive filed April 15, 2003 (the contents of which are incorporated herein by reference, with a complete copy thereof and copies of all filing completion attachments thereto being included), Applicants hereby provide further documentary evidence in support of their Petition to Revive the above-referenced patent Application.

As explained in the previous, April 15, 2003 Petition, Applicants filed this Application without a Declaration or the required fees, and Applicants had been intending to pay the outstanding fees and to submit the Declaration upon receipt of a Notice to File Missing Parts. As further explained in the previous Petition, Applicants did not receive any Communication from the Patent and Trademark Office until after Applicants filed a second Status Inquiry in March of 2003, at which time Applicants finally received the February 8, 2002 Notice to File Missing Parts.

In specific response to the Decision Dismissing Applicants' previous petition, Applicants provide the following information to establish their non-receipt of the February 8, 2002 Notice to file Missing Parts. First, Applicants attach as Attachment A a copy of the logbook of all incoming mail from the U.S. Patent and Trademark Office which Pillsbury Winthrop's Northern Virginia office maintains, for the time period February 8, 2002 through

February 18, 2002. That logbook reflects no incoming U.S. PTO mail in connection with the present Application.

Additionally, Applicants submit herewith as Attachment B a docket printout for this Application. The second page, listing "Event Log," lists actions taken by or filings made by Applicants, and the third page lists Actions received at Pillsbury Winthrop's Northern Virginia office. Although that third page lists a Response due date of April 8, 2002, and that due date relates to the February 8, 2002 Notice to File Missing Parts, as reflected by the second "Page: 1" referring to "Action-type: U.S.-Missing Parts," the record for the February 8, 2002 Notice to File Missing Parts was not even created until April 15, 2003. As was explained to Applicants' undersigned representative, that record was created "after-the-fact" in order to have a complete record of all PTO papers. Thus, had the Notice to File Missing Parts actually been received in timely fashion, there would have been a "Date Created:" indication on that page more coincident in time with the Notice to File Missing Parts' mailing date of February 8, 2002. (The "Action Taken" listing of April 15, 2003 for that entry refers to the date on which the first Petition to Revive was filed and was entered, as explained to Applicant's undersigned representative, simply to "close out" the "back entered" docket entry.)

Please charge any Petition fee to our Deposit Account 03-3975, Order Number 8312/290571. A duplicate copy of this Petition is attached hereto for that purpose.

In view of the foregoing, Applicants request reconsideration and Grant of their Petition to Revive.

Respectfully submitted,
Pillsbury Winthrop LLP
